

Guest Conduct Policy

Throughout its history, Royal Caribbean International[®] has provided its guests with a wide variety of cruise vacation experiences that lead to exceptional vacations. Whether it's our professional and friendly crew, our unmatched fleet of ships, our almost endless variety of activities, our extensive list of beautiful and exotic destinations and excursions, our exciting entertainment, or our wide variety of delicious food, you will find many reasons why your Royal Caribbean International cruise vacation will be one of the best you have ever experienced.

You may also find that one of the most amazing parts of your cruise vacation experience will be the many rich and varied cultures represented among our guests. This diversity offers a chance to learn about different parts of the world and to make new friends. But just as a new friend can enhance your vacation experience, some guests may behave in ways you find unusual or undesirable. Since our guests do come from different and diverse backgrounds, it is important that everyone have a common understanding of the behavioral standards in place on Royal Caribbean International ships.

This Guest Conduct Policy is intended to help ensure that all guests are able to participate in a safe and enjoyable cruise vacation and sets forth standards of conduct for guests to follow throughout their Royal Caribbean International cruise vacation, including transfers to and from ships, inside terminals, while onboard, at ports-of-call, during shore excursions and at our private destinations. This policy is not intended to be all inclusive, and it is likely there will be conduct issues that it does not specifically address. In that event, as in all others, guests are expected to follow the direction of the ship's Captain who will take appropriate action to ensure the safety, security and well-being of our guests. In addition to this policy, guests are expected to comply with applicable laws of the various countries that they visit. Updates to the Guest Conduct Policy may be made between publications of this directory. Any updates to this Guest Conduct Policy are available for review on the Royal Caribbean International internet site, www.RoyalCaribbean.com.

Safety and Security

Safety and security are everyone's responsibility. Should anyone become aware of someone being injured, or of unsafe or possibly illegal behavior during their cruise vacation, they should immediately report this to the ship's Security Staff or other ship management. This may be done through ship's telephone or by seeking the assistance of a crew member. If you do not immediately report an injury or unsafe / illegal behavior this delay may cause ship's personnel to be unable to effectively respond to the situation. A reporting delay may also cause the ship to be unable to properly preserve information or evidence and may cause a delay in notifying the proper law enforcement or other Government officials. You can find additional helpful information in the "Security Guide" available on our website and onboard at Guest Services.

Guest Conduct

Guest and Crew Interaction

Our crew members are friendly, outgoing and helpful, and they will do their very best to make your vacation as enjoyable as possible. Please do not misinterpret their friendliness. Crew members are prohibited from engaging in physical relationships with guests. Crew members are not permitted to socialize with guests beyond their professional duties, and are not permitted to be in guest staterooms, except for the performance of their shipboard duties. Guests are expected to respect these policies and are similarly prohibited from engaging in physical relationships with crew members. Guests are not permitted in any restricted or crew area of the ship, including crew staterooms and corridors.

Verbally Abusive or Offensive Language

Verbally abusive or offensive language directed toward anyone, to include guests, crew members, governmental officials, or others is not permitted.

Inappropriate or Abusive Behavior

Inappropriate or abusive behavior including uninvited physical contact, solicitation, harassment, vandalism, theft, violence, use of fake/false identification, underage drinking (see alcohol section below), providing alcohol to those under the allowed age (see alcohol section below), possession of illegal substances/items or any other illegal or offensive conduct is not permitted.

Unsafe Behavior

Sitting, standing, laying or climbing on, over or across any exterior or interior railings or other protective barriers, or tampering with ship's equipment, facilities or systems designed for guest safety is not permitted. Guests may not enter or access any area that is restricted and for the use of crew members. Any other unsafe behavior, including failure to follow security instructions, is not permitted.

Discourteous or Disruptive Behavior

Pool, deck and theater chairs may not be reserved. Topless sunbathing is not permitted except on selected itineraries, and then it will only be allowed in designated areas. (Contact Guest Services for Dress Code details.) Boom boxes or loud radios are not permitted. Roller blades, roller skates, skateboards, scooters, surfboards, bicycles, and similar items may not be utilized onboard; except for mobility aids related to special needs, as approved by the ship's medical staff.

Smoking

For the comfort and enjoyment of our guests, our ships are designated as non-smoking; however, we recognize that some of our guests smoke. Therefore, to provide an onboard environment that also satisfies smokers, we have designated certain public and private areas of the ship as “smoking areas.” This policy includes smoking-like products such as electronic cigarettes.

Smoking in public areas is only permitted in designated smoking sections which vary by ship. Generally, smoking is permitted outdoors on only one side of the ship; and smoking is permitted on all private ocean front balconies, including Loft Suite balconies on OasisSM Class ships. To assist in locating areas where smoking is permitted, you will find visible signage posted within all smoking areas and ashtrays that are provided for your use. The location of all smoking venues can also be found in the daily Cruise Compass; or you may contact Guest Services once onboard.

For your safety, smoking is not permitted inside any stateroom or on interior private balconies on Oasis Class that overlook The Boardwalk[®] or Central Park[®]. Smoking is not permitted in any dining venue, food outlet, theater, hallway or corridor; nor in Central Park, The Boardwalk or The Jogging Track on Oasis Class ships; nor in the H2O Zone on Oasis and Freedom Class ships. A \$250 cleaning fee will be applied to the SeaPass[®] account if smoking has occurred inside staterooms or on private interior balconies overlooking The Boardwalk or Central Park onboard Oasis Class ships. Royal Caribbean International kindly asks all guests to please observe the non-smoking areas and to refrain from smoking pipes or cigars in any of the public areas. These requests are made to provide a comfortable shipboard environment for everyone. Guests who violate this smoking policy may be subject to further action pursuant to the “Consequences Section” of this Guest Conduct Policy.

Pipe and cigar smoking is only permitted within the Cigar lounge. (If no Cigar lounge exists on a particular ship, there will be a designated area for pipe and cigar smoking).

A guest must be at least 18 years of age to purchase, possess or use tobacco products onboard. Cigarettes, cigars and pipe tobacco must always be properly disposed of and never thrown overboard.

Curfews

Ship’s management reserves the right to enact curfews on an individual, group, or ship-wide basis, if in the sole judgment of the ship’s Captain, such steps become necessary to ensure guest or crew safety.

Departing from a Ship

Parents or guardians must not permit any guest in their care under age 18 from leaving a ship in any port without responsible adult supervision.

Parental and Guardian Responsibility

For purposes of this Guest Conduct Policy, a minor is defined as anyone under the age of 18. A young adult is defined as anyone ages 18, 19 or 20. Parents and guardians are responsible for the behavior and appropriate supervision of their accompanying minor(s) and young adult(s) throughout their vacation. This obligation applies during transfers to and from ships, inside terminals, while onboard, at our ports-of-call, during shore excursions and at our private destinations. This responsibility applies at all times, regardless of whether the parents and guardians are physically in the company of their minor(s) and young adult(s).

Alcohol

Royal Caribbean International guests are expected to be responsible for their actions at all times, including during transfers to and from ships, inside terminals, while onboard, at our ports-of-call, during shore excursions and at our private destinations. Consuming alcohol to excess impairs one's judgment and reduces one's ability to recognize and avoid potentially dangerous situations. Guests who choose to consume alcohol must do so responsibly. The ship's staff may refuse to serve alcoholic beverages to any guest who does not consume alcohol responsibly. Ship's personnel may request verification of a guest's age to verify they are of age to consume alcohol pursuant to this policy. Any guest that violates this alcohol policy, will be considered for disciplinary action pursuant to the "Consequences Section" of this Guest Conduct Policy, and may lose their privileges to use the disco or other areas or facilities of the ship.

Guests are not permitted to bring alcoholic beverages onboard and Security may inspect containers (water bottles, soda bottles, mouthwash, luggage, etc.) at any time. Alcoholic beverages that are purchased from onboard shops or in ports-of-call (which must be presented to security upon re-boarding), will be secured by ship's personnel and delivered to the guest's stateroom just prior to the conclusion of their cruise vacation. Guests who are under the permitted drinking age will not have alcohol returned to them.

The minimum drinking age for all alcoholic beverages on Royal Caribbean International ships is 21. In certain circumstances, where local laws permit or require, Royal Caribbean International may modify this policy to permit the minimum drinking age on a ship to be less than age 21, but never less than age 18. Pursuant to such a modification, Royal Caribbean International may also require parent/guardian request/authorization.

A decision to modify policy and permit guests below the age of 21 to consume alcohol onboard during a sailing will be made by Royal Caribbean International at the corporate level (and not by an individual ship). Such a decision will be communicated to the ship prior to guest boarding. Guests may contact Guest Services or refer to the Cruise Compass for specific minimum drinking age information on their cruise vacation.

For purposes of complying with the minimum drinking age requirements, a guest's age is established upon boarding at the beginning of the cruise vacation. If a guest celebrates their birthday during the cruise vacation, and thereby becomes of age to consume alcohol, the guest may thereafter ask the Guest Services Manager to modify ship's records to permit their consumption of alcohol during the remainder of the vacation. The guest will be required to appear at Guest Services to present a government issued form of identification to permit verification of their age.

In certain situations, Royal Caribbean International may permit a parent or guardian who is sailing with his or her 18 to 20 year old young adult son or daughter, (or other young adult under their legal supervision) to sign a waiver allowing the young adult to consume alcoholic beverages onboard. In such situations, the authorizing parent or guardian and the young adult must agree to be responsible for ensuring the young adult will consume alcohol responsibly and otherwise comply with the Guest Conduct Policy, including among other things, not providing alcoholic beverages to any other person, regardless of age.

On cruise vacations boarding in a country where the legal drinking age is lower than 21 and where a young adult (age 18, 19 or 20) is not traveling with a parent or legal guardian, they will generally not be permitted to consume alcohol. There may be exceptions made to this restriction in areas of the world where local laws require and Royal Caribbean International concurs. Details on such exceptions can be obtained from Guest Services.

No guest under age 18 may possess or consume alcohol at any time, while onboard or at our private destinations. No guest under age 21 may possess or consume alcohol at our private destinations. Any guest who goes ashore and consumes alcohol (whether under the supervision of a parent/guardian or not, is responsible for ensuring they consume responsibly and retain their ability to recognize and avoid potentially dangerous situations when they return to the ship. Parents/guardians are reminded they are responsible for the actions of their child/young adult at all times while on a Royal Caribbean International cruise vacation.

Guests who violate any alcohol policy, including but not limited to underage drinking; providing alcohol to minors or young adults; possessing, concealing or attempting to conceal alcoholic items in their luggage, when boarding, or while onboard; engaging in alcohol drinking games; or failing to consume alcohol responsibly, will be considered for discipline under the provisions of this policy.

Prohibited Items

Items with Heating Elements or Open Flames

Certain items that generate heat or produce an open flame are not permitted onboard. This includes clothing irons, hotplates, candles, incense and any other item that may create a fire hazard. Curling irons and hair dryers are allowed.

Drugs or Other Illegal Substances

No illegal drugs or other illegal substances are allowed onboard or may be utilized during a Royal Caribbean International cruise vacation, including during transfers to and from ships, inside terminals, while onboard, at our ports-of-call, during shore excursions or at our private destinations. Illegal drugs or substances will be confiscated and appropriate action taken, which may include removal from the ship and involvement of appropriate authorities. In addition, foreign governments at Royal Caribbean International ports-of-call have strict laws that address drug possession. Guests found in violation of such laws are subject to arrest and prosecution by the foreign jurisdiction (and perhaps United States or other authorities as well) and may be prevented from re-boarding the ship.

Weapons, Explosives or Other Dangerous Items

No weapon, explosive, or other item that presents a risk of harm to persons or property, are permitted onboard. They will be taken by ship's Security and appropriate action taken. Items such as dive knives must be reported to ship's personnel at the time of boarding. They may be permitted onboard, but held in safe custody by the ship's Security staff when not in use ashore.

Health

Hand Washing

Guests are strongly encouraged to wash their hands with soap and hot water after using the restroom and before eating or handling food. Medical experts say this is one of the best ways to prevent illnesses from starting or spreading.

Illnesses and Isolation of Guests

Royal Caribbean International follows practices and maintains policies that seek to prevent illnesses from affecting our guests. One of the best ways to prevent the spread of contagious illnesses like gastrointestinal viruses, colds and flu is to wash your hands thoroughly for at least 20 seconds with soap and hot water after using the restroom and again before eating anything. In the event you experience symptoms that indicate a gastrointestinal illness, such as diarrhea or vomiting, or know of someone experiencing these symptoms, you must advise the medical staff immediately. In addition, some gastrointestinal illnesses remain contagious up to 72 hours or more after symptoms subside; therefore, if you or someone you know experienced such an illness just prior to your cruise vacation,

you must immediately notify the ship's medical staff. This will permit the crew to take steps to reduce the chance that your illness will spread to others on the ship. Failure to immediately report a contagious illness to the ship's medical staff, or to accurately describe its onset, greatly increases the likelihood the illness will spread to others and is a violation of this Guest Conduct Policy. In the event of a contagious illness, the ship's crew will take steps to curtail its spread to other guests, including if necessary, steps set forth in the Consequences Section below.

Fitness to Travel Safely

Guests with disabilities are not required to travel with another person as a condition to traveling on our ships. However, all guests must consider that crew members are not required to assist guests with personal tasks or personal hygiene needs. (E.g. assisting with eating, dressing, toileting.) Therefore guests requiring assistance with these functions should consider these needs when planning a cruise vacation.

If there is a question as to a prospective guest's ability to independently provide for their personal needs or hygiene without being a danger to themselves or others, and the guest plans to travel alone, this situation must be discussed with the company's Access Department prior to booking a cruise vacation. The Access Department can be reached at *Special_Needs@rccl.com* or by calling 1.866.592.7225. This will allow an individualized assessment of the guest's fitness to travel for the duration of the cruise without personal assistance. Unaccompanied guests attempting to board or found onboard without the ability to independently care for their personal needs will be evaluated to determine if they are fit to safely travel without assistance. Guests who are found unfit to travel may be denied boarding or removed from the ship at the next port-of-call.

Medication

Guests must ensure that they bring an adequate supply of any medication they require for the entire duration of the cruise. The ship's medical centers may not have a supply of any needed medication and not all medication will be available in the ports-of-call. Guests must not pack medication in checked luggage to ensure you always have immediate access if needed.

Environment

Royal Caribbean International's Save the Waves[®] Program and Trash/Waste Disposal

Royal Caribbean International maintains a Save the Waves[®] Program that focuses on three key principles: Reducing the creation or generation of waste materials; recycling as much as possible; and ensuring proper disposal of remaining waste. Trash should be properly disposed of in containers provided throughout the ship or in wastebaskets provided in each stateroom. Trash or other foreign objects should never be flushed down a toilet and guests are not permitted to discard any item overboard.

- Confiscation of illegal/contraband/prohibited items (may be turned over to law enforcement authorities)

Establishing and articulating a Guest Conduct Policy helps ensure that all guests are able to enjoy a fantastic, safe and secure cruise vacation experience. Royal Caribbean International appreciates your support of this policy and hopes this will be the best vacation you have ever had.
